

Tell A Friend To Make The Jump...

Refer A Friend and Grow Your Community!

If you enjoy living in a skyline building and enjoy the community around you, wouldn't you like to extend that same experience to someone else in your life? Now is your chance to choose your neighbours and build your community. Here's how...

Skyline is pleased to introduce its Resident Referral Program. This program is open to all current Skyline Residents. All you have to do is invite a family member, friend and/or colleague to submit an application to any Skyline property.

What happens next? Simple, upon completing the application, the person you referred will be asked to provide your full name and address for tracking purposes. Once they are approved and have deposited their first and last month's rent deposit, it's time for Skyline to reward you for helping building a stronger community. Skyline will issue you a thank you cheque for \$200.00. It's our way to say thank you for helping us build a healthy community.

Help your friend, family member or colleague make the jump to quality living!

Sincerely,
Skyline Management Incorporated
